

THE UNIVERSITY OF CHICAGO BOOTH SCHOOL OF BUSINESS

Annual Fund Impact Report

2019–20

Dear Alumni and Friends,

The 2019–20 year brought great achievements and even greater challenges for all of us—from the University of Chicago Campaign: Inquiry and Impact, which closed in December, to the rapid spread of the coronavirus pandemic that ushered all MBA programs to remote learning following spring break.

I am both humbled and impressed by the quick response of the Booth community to the challenges we faced this year, and am incredibly proud to be a Booth alumna. Before sharing this year's highlights of the Annual Fund, I would like to list a few examples of how, through a challenging year, the Booth community stepped up to support the school and each other—proving why Chicago Booth maintains its position as a top business school.

- The University of Chicago Campaign: Inquiry and Impact was an unprecedented success, with Chicago Booth raising \$1.17 billion from nearly 29,000 donors, including Booth alumni and friends from 93 countries.
- As the pandemic evolved, Booth faculty served as thought leaders on a global scale, including the invaluable findings from the research of **Nicholas Epley**, John Templeton Keller Professor of Behavioral Science and Neubauer Family Faculty Fellow, on maintaining social connection.
- As social distancing changed daily life, students supported each other on an individual level. 2021 MBA candidate, Francisco Moya, wrote, “Although we are missing the social interaction and our friends in Chicago, we are really grateful for all the support we have received from them. Some Booth friends have offered to even help us to do our shopping.”
- This year's events highlighted the importance of connecting with each other. As a result, the Full-Time Class of 2020 established the Young Alumni Connectivity Fund, which will help fund new alumni programming that prioritizes diversity, equity, and inclusion.
- In a difficult economic climate, alumni provided essential support to Booth graduates, current students, and prospective students. During the Spring Quarter, more than 110 alumni met with staff members to discuss hiring, conduct interviews, provide student support or review other ways to engage with Booth. Additionally, alumni posted jobs and provided referrals to opportunities, resulting in an increase of job postings by over 25 percent compared to this time last year.
- In conversations on topics of race and social justice, Dean Madhav Rajan shared an initial **Plan of Action** to strengthen diversity and inclusion initiatives at Booth. These ongoing efforts cover a broad range of areas, including student admissions, curriculum, faculty and staff, communications, employer relations, and engagement.

This is just a snapshot of how it is times like these our genuine, collective support proves that we are stronger when we are together. Thank you for helping make 2019–20 an extraordinary year. Your gift is key in making it possible for Booth to empower bold thinkers and inquisitive minds to dig deeper, discover more, and shape the future. Thank you.

Caroline Karr, '88
Chief Advancement and Strategy Officer

Annual Fund Impact

The Chicago Booth Annual Fund ended fiscal year 2020 (July 1, 2019–June 30, 2020) with **\$11,076,509** in unrestricted funding—the second highest Annual Fund total in our history. December 2019 also marked the end of the University of Chicago Campaign: Inquiry and Impact, during which 84,481 gifts were made to the Chicago Booth Annual Fund.

Your gifts to the Annual Fund made the following possible:

- **CURRICULAR INNOVATION:** Chicago Booth announced its MBA program is fully STEM-certified for optional practical training purposes, expanding its eligibility from two concentrations to the entire degree. The expanded designation reinforces Booth’s commitment to preparing its future leaders for the world’s most challenging business problems by continuing to integrate technology and analytics into its already unparalleled curriculum.
- **FACULTY RESEARCH:** Chicago Booth is a community of bold thinkers and exceptional faculty who generate important thought leadership, especially during unprecedented times. For example, **Marianne Bertrand**, Chris P. Dialynas Distinguished Service Professor of Economics and Willard Graham Faculty Scholar, along with the University of Chicago Poverty Lab and the Rustandy Center for Social Sector Innovation, launched a series of research projects studying the impact of the coronavirus crisis on small businesses and households.
- **GLOBAL INITIATIVES:** Chicago Booth’s new European home for our renowned Executive MBA program and future alumni and student activities, finished construction in London in spring 2020. While the coronavirus pandemic prevented the community from immediately occupying the space, it is ready for use when in-person courses resume. Chicago Booth’s presence in the heart of London’s financial district strengthens our impact across the globe, and reflects our international approach to thinking about business and finance.
- **SCHOLARSHIPS:** One of our key priorities is to attract the best talent and enroll every student in whom we see great promise. Though an especially challenging year for students, scholarship recipient and 2021 MBA candidate Julia Boserup, was appreciative of the Booth community’s support. She shared, “From the day I was admitted, I have felt like a part of a community that supports and challenges one another.”

The Campaign Challenge

CHICAGO BOOTH ALUMNI DONORS—YEAR TO DATE AS OF DECEMBER 31

The Campaign Challenge donors helped Chicago Booth finish the university's comprehensive fundraising campaign on a high note and booked the best December 31 finish yet for the Chicago Booth Annual Fund. All gifts made between December 1 and December 31, 2019 helped unlock **\$500,000 in additional funding** for the school.

The challenge inspired an incredible number of donors, thus surpassing campaign goals. The number of gifts to the Chicago Booth Annual Fund is evidence of the value and strength of the Chicago Booth degree and network.

A special thanks to the alumni sponsors who made this challenge possible:

Five for the Future

The Five for the Future Challenge builds up to the 125th anniversary in 2023 of the University of Chicago Booth School of Business. Amy Wallman, '75, and Richard Wallman, '74, generously gave \$5 million to the Annual Fund with a challenge to inspire the school's next generation of alumni leaders.

The challenge matches 1:1 all Annual Fund donors who make a five-year pledge of \$2,500 or more. Since the challenge launched in October 2018, more than **\$4.1 million dollars** have been pledged from **321 donors**.

The incredible number of commitments already made demonstrates that the challenge will likely meet its goal before the school's 125th anniversary.

5 FOR THE FUTURE

68.8%

of Five for the Future donors increased their annual giving to participate in the challenge, contributing more than \$563,000 in additional funds each year of their pledges.

59

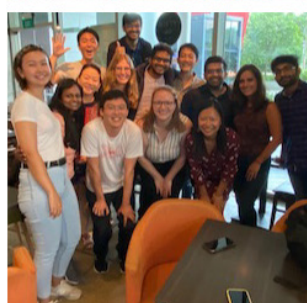

donors celebrating a 2020 reunion stepped up to participate in the match this year—another 35 reunion alumni set up their pledge the year prior.

166

donors joined the challenge in the 2019-20 fiscal year—the most in a single fiscal year.

Booth Student Support Fund

**A COMMUNITY OF
BOLD THINKERS**

During the spring quarter, more than 30 students across all MBA programs reached out to school leadership for support and guidance through the significant and unexpected changes brought on by the coronavirus pandemic. Incredibly, alumni made gifts to the Booth Student Support Fund to provide relief to our students in real time.

The Booth Student Support Fund helped students in need of financial assistance related to travel expenses, technology investments, and career search disruption. For instance, when Amy Xiao, '20, arrived in Istanbul on March 1, she had planned to stay for two weeks. But when COVID-19 began its march around the world, forcing her to remain in Turkey for more than three months, the Booth Student Support Fund came to her rescue.

“I WANTED CHICAGO BOOTH STUDENTS TO KNOW THE ALUMNI ARE THERE TO SUPPORT THEM.”

—NICHOLAS W. ALEXOS, '88, Booth Student Support Fund donor

We anticipate continued need for funds throughout 2020 due to restrictions on travel, disrupted careers, health expenses, and technology needs for remote learning. The fund raised a total of \$54,344 from more than 178 donors in the 2020 fiscal year. However, Chicago Booth students will continue to need help to navigate through this unforeseen situation and receive additional assistance in real time.

UCHICAGO TOGETHER

Since the beginning of the pandemic, the worldwide UChicago community united together to support students, faculty, staff, health-care workers, the university's neighbors, and each other.

The broader University of Chicago community gathered to connect virtually and support various emergency funds on May 5, 2020 through UChicago Together. During this 24-hour event, the community raised more than \$2.2 million for 165 funds across the university.

Reconnect 2020

RECONNECT

In light of the rapidly evolving situation relating to the coronavirus pandemic, Chicago Booth decided (for the safety of our community) to postpone Reconnect 2020, originally scheduled for April 23– 25, 2020.

Regardless of the in-person events unable to take place this April, 1,728 alumni from the 1st to 50th reunions contributed \$17,628,665 to the school in honor of their reunion. This is an incredible show of our community strength in the face of challenges, and we are grateful to see how alumni are continuing to connect with each other for support.

- Classes of 1975, 1980, 1985, 1990, 2010, and 2019 met and exceeded their dollar or donor goals.
- Classes of 1975, 1985, and 1995 more than tripled their fundraising from their last reunion in 2014.
- Classes of 1980 and 1995 increased their donors from last reunion in 2015.

NEW WAYS TO CONNECT

In the absence of returning to Chicago for Reconnect 2020, alumni found new ways to connect. For the first time this year, each reunion received access to BrightCrowd, a digital yearbook platform. The digital yearbook is a way for alumni to stay connected and share updates with one another.

Additionally, the Class of 2005 reunion committee put together a unique virtual conversation on May 19, 2020 to discuss the impact of the coronavirus pandemic. Classmates from tech, finance, and healthcare, joined by **Randall S. Kroszner**, Deputy Dean for Executive Programs and Norman R. Bobins Professor of Economics, shared their insights and predictions for the economic and business landscape in a post-pandemic environment.

Class of 2005 panelists included:

- Banks Baker, Head of Global Product Partnerships-Search Content, Google
- Pat Basu, President and Chief Executive Officer, Cancer Treatment Centers of America
- Rose Kay, Head of Greater Bay Area, Commercial Banking, Standard Chartered Bank (HK) Limited
- Melissa Knox, Global Head of Software Investment Banking, Morgan Stanley

Class Gift

The Class Gift campaign at Chicago Booth is the beginning of a lifelong tradition of annually supporting Booth with time, effort, and dollars. By giving, each class makes a public commitment to investing in the school, ensuring the continued success of the institution, and participating in a robust philanthropic community that supports essential Booth programs.

The Full-Time MBA Program Class of 2020 made the difficult decision to pause their Class Gift fundraising shortly before graduation. In acknowledging a challenging year, the Class Gift Committee decided to focus their efforts on listening, learning, and caring for each other and their community.

Before pausing the campaign, the more than \$46,000 raised from 139 members of the class was allocated to the Young Alumni Connectivity Fund. This new fund will help develop alumni programming that facilitates a close connection between new graduates and the school, while prioritizing diversity, equity, and inclusion. Events will reach domestic and international alumni starting November 2020.

“ We worked to be sure that this gift goes towards something that we can be proud of, and that catalyzes something inclusive, positive, and meaningful for our class and future alumni.” —2020 Class Gift Committee

2020 Class Gift Campaign: Why I Give

“Working in a city with few Booth alumni, I know that keeping our community strong and connected is essential to both my own professional career and that of my peers. Establishing a Young Alumni Connectivity Fund is the perfect bridge to establish our networks in our new environments and create a pipeline for those in the future to succeed as well. I give because I believe in the power of our bond.”

VIK BHATIA, '20

“I gave to the class gift because I understand how these gifts can fund important initiatives and shape the lives of future individuals. I have spent my time at Booth trying my hardest to bring people together because I believe much of the power of our degree lies in a cohesive network. This fund represents the kind of change I wanted to see at Booth, and I am excited that we will be able to help Booth be the best institution it can be.”

RICH MEZZASALMA, '20

Booth Community Challenge

To close out the 2019–20 fiscal year, Class of 1996 alumni, Ashish Kishore and Subhash Makhija, put forth a \$100,000 challenge grant that would only be unlocked if 1,000 or more donors made a gift during the month of June. Incredibly, the support of more than 1,200 donors surpassed the Booth Community Challenge goal. The challenge also helped the 2019–20 fiscal year finish strong—raising more than \$11 million for the Annual Fund, the second highest amount ever.

The collective support of 1,236 Booth alumni and friends, and \$100,000 from the two challenge sponsors, raised a cumulative total of \$1,418,960 for the Chicago Booth Annual Fund. This overwhelming support is incredible and especially critical during these tumultuous times.

\$1,318,960

from 1,236 donors—bringing the challenge total to more than \$1.4 million

343

donors celebrated a reunion this year—giving \$279,007 toward the challenge

51%

The challenge motivated alumni who may not have otherwise contributed this year:

273

79

donors made their first ever gift to Booth

55%

of donors made gifts of \$100 or less
