RESEARCH PROFESSIONAL

Professor Constantine Yannelis seeks one full-time Research Professional for a period of at least one year but ideally two years. Research Professionals work with faculty to collect data, maintain databases, conduct statistical analysis, and provide other support associated with faculty research.

The ideal candidate will have: (i) a Bachelor's degree or higher in a field relevant to the research being conducted by the start date (concentration in Economics, CS, Math or Statistics preferred), (ii) a minimum of one year of relevant research experience (experience gained in school counts), (iii) experience with Stata or another statistical package such as SAS, R, or SPSS. Background in economics or finance is a plus, but not necessary—candidates with strong technical backgrounds and writing skills who are looking for more exposure to economics are welcome to apply.

The preferred start date is August 1, 2021, though other dates may be considered. Applications will be evaluated on a rolling basis, but all applications submitted by March 22, 2021, will be given full consideration.

If interested please fill out a brief survey at https://forms.gle/CXxvxckxXXm7e9QD7. You must also fill out a formal application at https://uchicago.wd5.myworkdayjobs.com/External/job/Hyde-Park-Campus/Research-Professional JR10219. Please submit all ancillary materials (resume, cover letter, postsecondary transcripts (unofficial are fine)) in the Resume/CV field. You may upload multiple files.

Research staff build invaluable and collaborative relationships with Chicago Booth faculty and fellow research staff by engaging in UChicago’s rigorous intellectual environment. While at Chicago Booth, research staff hone their research skillset and engage in a bevy of programs—from a coding workshop to writing seminars—that prepares them to undertake independent research.
